Randy,

I need to inform you that I will not be pursuing a position on the PARC Commission once my term expires on December 31, 2014. Due to personal and family commitments in the coming years, I will not be able to devote the time necessary to be on the PARC Commission. I apologize for having to do this via email. I was hoping to talk to you last night, but since your staff has placed you on work restrictions, I missed you. I have already told Peter and Alison.

I hope your recovery is going well and will see you at the next meeting in November.

Zach Lee

EMPLOYMENT EXPERIENCE As applicable to board/commission membership.

I currently work as a Senior Business Analyst at Optum Insight and before that, as a Financial/Business Analyst for McKesson. I am used to working with large amounts of data and analyzing it to determine its current state and identify optimum business solutions. I can understand the financial and well as the cultural program side of the Commission's work.

CIVIC PARTICIPATION

I am currently a commissioner on the Human Rights Commission, and have helped staff various public events in the city over the last year. I am also a member of Toastmasters International, as well as other civic groups, and frequently attend city council meetings and other town hall meetings hosted by the League of Women Voters.

BACKGROUND AND INTERESTS

I enjoy running, biking and swimming and thus make frequent use of the park system. I am also an avid reader and love to learn something new every day. I have a B.A. in Political Science and History, an M.A. in International Affairs, and was born and raised in the city.

WHY DO YOU WISH TO BE APPOINTED?

I greatly enjoy using our city's parks and trails and think they are one of the city's biggest selling points, after the Mall of America. I am also interested in learning how the city can preserve its natural assets, since density will likely increase in the future. That is why I applied last year and why I am applying again this year. Moreover, having spent a year on the Human Rights Commission, I know how to work in the system, and am confident I can balance my work on the two commissions, as they operate on very different days.
